Professional Experience

Central Piedmont Community College

Program Coordinator, Math Emporium | (August 2016 – Present)

- Manage 25 - 50 direct reports, including hiring, scheduling, and training.
- Acting payroll manager for five different position numbers.
- Responsible for budgeting, forecasting, and pro forma.
- Coordinate with marketing to ensure Math Division and Math Emporium website is up-to-date and student-facing content is on brand.
- Develop interactive online trainings for new hire orientation. Online training streamlined the department onboarding process while delivering consistent information to all new employees.
- Oversee development and ITS interfacing for six student lab locations with more than 500 thin client/cloud-based machines.

Adjunct Instructor – Math & History | (January 2015 – Present)

- Implemented and piloted iPad based math courses as a part-time employee through the development of interactive student technology.
- Teaching courses in both mathematics and history.

Instructor Assistant | (March 2014 – August 2016)

- Assisted the lead math instructor with classroom management, student technology issues, and course content questions.
- Ensured students stayed on task and on pace with the coursework.

Safe'N'Clear, Inc.

Vice President | (August 2017 – Present)

- Actively work with leadership team to solidify branding and messaging, in addition to helping lead the marketing strategic plan.
- Create company's profile, and documents related to shareholders and board of directors meetings.
- Oversee social media outlets and posting to ensure they are on brand and support company goals and vision.
- Assist the president with publications through editing, cowriting, and graphic designs that support the company image for increase revenue and traffic.
- Coordinate with nationwide network of healthcare workers to ensure The Communicator is properly used, advocated for, purchased, and promoted.
